

I WOULD LIKE TO RESTORE
**YOUR
RIGHT**
TO DRINK RAW MILK.

Ron Paul

RON PAUL UNDERSTANDS
THE POWER OF
**BOTTOM-UP
CREATIVITY.**

—JOEL SALATIN
FOUNDER OF POLYFACE FARMS

During his time in Congress, Ron Paul introduced H.R. 1830, legislation that would decriminalize the sale of unpasteurized milk and milk products across state lines.

Ron Paul is the only candidate in the 2012 presidential election who has stood up for the right to drink raw milk and maintain local food freedom.
